RETURN RECEIPT REQUESTED

AUG - 2 1984

Mr. Dale Crepeau
Plant Manager
Arctic Enterprises, Incorporated
Clearbrook, Minnesota 56634

Dear Mr. Crepeau:

Re: Request For Information

On May 31, 1984, the Minnesota Pollution Control Agency (MPCA) staff sent several industries located within the Kummer Sanitary Landfill service area Requests for Information (RIF). These RIF's were issued in order to gain information regarding the types and quantities of industrial waste which have been disposed at the landfill since 1971. In addition, the RIF's requested that the information be submitted within thirty (30) days of receipt.

The MPCA staff records indicate that Arctic Enterprises, Inc. has not responded to the RIF. Please be aware that the company has a duty to respond as provided in the Environmental Response and Liability Act (Superfund) Minn. Stat. § 115B.17 Subd. 3 (1983 Supp.). Therefore, the MPCA requests that the company respond to the May 31, 1984 Request For Information within ten (10) days of receipt of this letter. If you have any questions, feel free to call Scott Lupin of my staff at 612/296-7337.

Sincerely,

Original
